It has been an annual rite for NRC to invite Lois Weiss to speak in  
September of every year and share her real estate observations with us.

Our noted journalist and one of our favorite speakers will return with  
a broad palette to let us know where we stand and what to expect.

Widely read by the real estate community, Lois regales us each week  
with her trademarked "Between The Bricks," column in the New York  
Post. She is a sharp-eyed and astute observer of the field and has  
always been very generous with her thoughts.

It is a pleasure to welcome Lois Weiss back once again

Join us at noon on **Monday, October 5, 2009**

for our National Realty Club luncheon  
at the Williams Club 24 East 39<sup>th</sup> Street

when NRC Governor Chaim Katzap  
discusses the topic:  
“Encouraging Foreign Investment”

The United States has a wonderful program, which encourages foreign investments in US job-generating projects. “Employment-based Program Number 5” [EB5 ] was introduced in 1990. It has, over the years, undergone changes and now is used as one of the major (if not the only remaining!) sources for generating significant amounts of capital for projects around the USA.

Chaim and his staff will discuss the significance of EB5 in detail in a power point presentation.

Chaim Katzap, born in the former USSR, is a Principal and Founder of Lion's Property Development Group, LLP. Chaim is a graduate of the University- Shipbuilding Institute in Leningrad. He served in the USSR Air Force Air Transport Division from 1967 until 1969. After immigrating to the United States in 1974, he attended NYU's School of Continuing Education between 1975 and 1985. His professional experience has included stints at Cross & Brown Company, William Lese Realty Services and his own firm, Katzap Realty Services, Inc., and as an independent broker and consultant with Murray Hill Properties, where he was responsible for site assemblages around the city and other transactions. In 1989, he formed CK Trading, Ltd. in Leningrad, Russia, where he served as Chairman, Commodity Trading & Investments. From 1994 – 2000 he formed and was Chairman of IRM, Ltd., Hong Kong and Beijing, Real Estate Brokerage, Consultancy & Investments. He continued to work on land assembly projects from 2004-2006 as an Independent Broker Consultant and Principal-Founder of Lion's Property Development Group, LLC. From 2006-present Lion's Property Development Group, LLC has been involved in US property sales to Chinese buyers and Immigration related investments known as EB 5-compliant projects around USA – marketed in China.

The NRC is pleased to welcome Chaim Katzap for his first presentation to the Club.
